Press:

“Kuvataiteilija Erik Taberman tietää olevansa omalla alallaan -
näyttely on esillä Akaan pääkirjastossa” Akaan Seutu, 5.2.2025

Illustration Experience:

I've worked on a plethora of different types of projects, creating illustration and visual design. I've created concept art for video games, book cover illustrations, and enlivening illustrations for different companies' websites. I have years of experience drawing and painting digitally, photomanipulation and editing, and 3D-modeling.
